

Detailed How-to-Play Video Here: www.IndyToyLab.com/smack-and-cheese

Setup:

1. Shuffle all cards and divide roughly evenly between all players
2. Place the Smack-a-roni Noodles in reach of all players (in a 2-player game only use 1 Noodle)

How to Play:

Players take turns playing cards face up in a central pile. As soon as a match is revealed, players race to smack one of the Smack-a-roni Noodles.

Matches:

Same Item: There are 8 different items in the game. If the same item appears on two cards in a row, they match.

Items include:

- Fork
- Spoon
- Plate
- Bowl
- Yellow Cheese
- Orange Cheese
- Elbow Macaroni
- Shell Pasta

OR

Same Topping: There are 3 different toppings in the game. If the same topping appears on two cards in a row, regardless of the item they are on, they match.

Toppings include:

- Blue Cheese
- Green Onions
- Bacon Bits

- If there was a valid match, the first player to smack each Noodle wins that round and earns one of the matching cards. In games with 2 Noodles in play, there will be two winners each round. The one closest to the player who placed the last matching card, clockwise, gets to choose a card first.
- If there was not a valid match, any players who wrongly Smacked a Noodle must give back one card they previously earned (if they haven't earned any yet nothing happens).

Winning the Game:

The first player to collect a full Smack & Cheese set, including:

1. At least 1 Utensil (Fork or Spoon)
2. At least 1 Vessel (Plate or Bowl)
3. At least 1 Cheese (Yellow or Orange)
4. At least 1 Noodle (Elbow or Shell)

Example of a winning set:
